

AWAKEN

EVANSVILLE

A **CITY-WIDE MOVEMENT**
OF PRAYER & FASTING
UNIFYING THE BODY OF CHRIST
TO **STRATEGICALLY INTERCEDE**
FOR **EVERY PERSON**
IN GREATER EVANSVILLE, INDIANA

WHY SHOULD WE DO THIS?

THE PROMISES OF SCRIPTURE

The Word of God boldly declares that there is a clear connection between faithful prayer and Spirit-filled awakening. Together we will kneel before God on every joy filled promise of His Word for the sake of those who don't yet love and follow Jesus.

THE PROOF OF HISTORY

History has boldly demonstrated that Spirit-filled awakenings nearly always begins when God's people humble themselves through prayer and fasting. Together we will ask God to move powerfully in the hearts of every person in the greater Evansville area.

OUR PREVAILING NEED

The stories and statistics illuminate the reality that our city is in need of Spirit-filled awakening. We believe this awakening will start with the church, and then spread into the city. Together we will ask God to awaken His people in the city, so we can bring glory to God while being a blessing to those who don't yet know Jesus.

POWER OF GOD TO CHANGE LIVES

We believe no person is beyond the reach of God's transforming power. Not only is Jesus able to change lives, we know that He is willing to change lives. Together we will ask God to touch lives, heal those who are hurting, deliver those who are in bondage, and to restore each and every person according to His great plans.

HOW WILL WE DO THIS?

#1 ENGAGE

We will start by engaging spiritual leaders and influencers through prayer gatherings and vision meetings.

#2 EQUIP

We will equip people and churches with practical resources designed to help the body of Christ collectively pray and fast for every person in Evansville.

#3 ENCOUNTER

We will encounter God personally and communally through seasons of prayer and fasting on behalf of our city. We will passionately seek God on our own each day, and we will come together for special times of prayer and worship for the people of Evansville.
